Would you be interested in an Eight Per Cent (8%) Dividend, full participating preferred stock? One in which your investment would be secured by improved real estate worth dollar for dollar for the amount of the preferred stock issued by this corporation? If so, read the following carefully:

The Forest Hill Hotel-Sanitarium Company, Inc., have purchased the property formally owned by Dr. L. A. Pusey at Forest Hill Park, and are now having plans and specifications prepared, with the intention of erecting on this property a most modern, up-to-date hotel-sanitarium. Before embarking on this enterprise many physicians and surgeons of this city and vicinity were approached, and more than 90 per cent of those approached give their unbiased opinion that such an institution as was proposed would pay, and would "fill a long-felt

want." It is proposed to conduct this institution along the lines of the world-renowned Battle Creek Hotel-Sanitarium and, in a measure, similar to the famous Clifton Springs. Every modern appliance for the application of electric and hydropathic treatment will be installed, and, with the unusual natural scenic beauty, with the advantage of having on the property three of the very best springs of absolutely PURE water, in a few blocks of the Forest Hill car line (the only all-double car line out of the city), we feel sure we have the most ideal location obtainable in this magnificent State.

Indorsed by most every ethical physician in this city, who have also promised their patronage and support; indorsed by the principal hotels, managed by men of many years of successful business experience, we feel we can unhesitatingly recommend this to our friends and to the investing public as a clean, high-grade security, one that has every potential of paying handsome and continuous dividends.

WORTH TRIAL ON TUESDAY.

Reports that Bosserman's Assailant Would Plead Guilty Are Denied. Reports that Bosserman's Aassailant Would Flead Gullty Are Denied.

Staunton, Va. April 12. Judge Ker has set the trial of Albert D. Worth, charged with felonlously shooting Luther B. Bosserman, for Tuesday, April 15. Worth will be represented by Curry & Curry. There has been a report going the rounds that he would plead guilty and accept a penitentiary term, but this is positively denied. Mrs. Clara Bosserman, first tried as an accessory to Worth's alleged crime, was not called at the opening of court, still being out on ball. It was intimated by Common-wealth's Attorney Braxton, however, that if the wee later deemed expedient, her second trial would follow that of Worth, her first trial having resulted in a hung jury.

Beports in circulation that Luther B. Bosserman and his wife have become reconciled and that they recently took an auto-ride together, are vigorously denied by Mr. Bosserman, who asked a reporter to make this deniel public in emphatic terms. He said that he had not seen his wife since the recent trial.

Mrs. Bosserman will oppose her husband's suit for divorce, which he instituted shortly after recovering from the wounds inflicted upon him by Worth.

ASHLAND NEWS NOTES

ASHLAND NEWS NOTES

[Special to The Times-Dispatch.]
Ashland, Va., April 12.—The Town
Council, at its regular meeting, held
last night, elected Dr. J. C. Blasingame
a member to fill a vacancy caused by
the resignation of C. H. Boschen.
A committee of three—Dr. A. C. Ray,
W. L. Foy and Hall Canter—was appointed to select an engineer who will
be instructed to make a survey of the
Ashland sewerage, gas and water plant,
for the purpose of obtaining an accurate report of the condition of the
plipes and power house. What will be
done after the report is submitted to
the Council is as yet very indefinite.
It is possible the Council may require
the company to do all necessary work
to put the plant in good condition, and
upon such completion it will be allowed to increase the rates for service,
both for water and sewerage.

The Democratic County Committee
has been called to meet at Ashland on
Saturday, April 19. At the meeting a
date will be set for a primary election
to nominate candidates for the House
of Delegates from Hanover and King
William Counties.

NEGRO TENEMENT BURNS

Reflection from Early Morning Blaze Leads
to Belief of Serious Conflagration.
One double negro tenement in Fell Street,
just beyond the city limits, was completely
destroyed by fire this morning about 1
o'clock, and several near-by dwellings, occupied by negroes, were saved from destruction by good work on the part of the Barton Heights Fire Department. The reflection
from the blaze could be seen for miles, and
it was at first thought there was a serious
conflagration in the West End of the city.
The Richmond Fire Department was appealed to for aid, and Engine Company No. 9
was sent to the scene. However, it could
not be of service on account of the poor
water supply.

At one time it was thought the entire
block, all negro dwellings, would be destreyed.

The blaze started in an unoccupied oyed.

The blaze started in an unoccupied porn of the tenement. Its origin could not
determined.
